THE PUMPKIN PATCH
THE PUMPKIN PATCH
WITH PUMPKINS BIG AND ROUND!

The Pumpkin Patch is played over a repeating rhythm known as an 'ostinato'. Try clapping this rhythm, playing it on a drum, or slapping it on a gourd as you sing the song to your baby. Pretty soon they will be clapping, playing, and slapping along with you! If you have trouble clapping the rhythm while singing, start by just clapping the rhythm and saying the words written below each note or rest.
